Significance of the “Ketidakmalasan” of the
Babad Tanah Jawi? - Cyber Library. (6 Pages).

The “Ketidakmalasan” is an Oratorical masterpiece in the Babad Tanah Jawi. This oratorical mastery is best exemplified by Aji Siswa, the famed poet, most famous for his poems Dureta (Fluted Speech) and Cepat Cepat Cepat (Now Now Now). In the Babad Tanah Jawi, Aji Siswa often uses this oratorical mastery with the phrase “Ketidakmalasan”. The phrase means something is “out of order”, “disorder” or “anomalous”. An example of this is a debate or a speech where a speaker uses many verbs and adjectives to “order” his speech – and an “anomalous” thing is happening. Neja’s Bratz Dollies, G.C.T. Van & Co. Hyperlinking. In this thesis I analyse the rise of
the novel in Indonesia in the second half of the

17th century through a study of the first published Indonesian novels, Babad Tanah Jawi by B N Potapati (1704-1780). The study is structured in six chapters. The first two chapters deal with the historical study of the novel in Indonesia. This chapter is composed of two parts. The first part seeks to trace the trajectory of the novel in Indonesia from its early stages to the final period of its development. This chapter is based on the first three chapters of this thesis which form the core of the thesis. The second part of the first chapter seeks to identify the specific characteristics of the novel in Indonesia. The second chapter deals with the literary aspects of the novel in Indonesia and its significance to the rise of the novel. The third chapter deals with the literary representation of the novel in Indonesia. The fourth chapter deals with the issues of writing and publishing the novel in

Indonesia, and some of the difficulties of doing so. The fifth and sixth chapters are the conclusion. In the second half of the thesis, in chapters four to six, I address Babad Tanah Jawi as a novel, while the seventh and eighth chapters is a study of the characteristics of the novel from a theoretical point of view. In addition, the three chapters that form the conclusion of the thesis, chapters four to six, seek to answer a series of questions, the origin of Babad Tanah Jawi, the construction of the narrative, the representation of the characters, the identity of the characters, the effect
